SEATAC Airport to Westlake Station

Although there are a significant number of taxi cabs and car services available for pickup at SEATAC International Airport, we highly recommend taking the LINK Light Rail to Westlake Station in Downtown Seattle. A schedule with full information can be found here: http://www.soundtransit.org/Schedules/Link-light-rail

The LINK Light rail operates from 5 a.m. to 1 a.m. Tickets must be purchased before boarding. At the kiosk select “Westlake” as your final destination. Fare is $3, one-way. Payment may be made by credit card or cash at the kiosks. (Light rail tickets do NOT transfer to Metro buses.)

Westlake Station to MarQueen Hotel

To get to your hotel 600 Queen Anne Ave N, we recommend the monorail, metro bus, or Uber car service.

By Monorail

The monorail departs from Westlake station (take the elevator or stairs to the topmost level of the Westlake Center building) approximately every 10 minutes and delivers you to the heart of the Seattle Center. Fare is $2.25, one-way. Payment is cash only either at the kiosk or on the train. (Monorail tickets do NOT transfer to Metro buses.)

From the Seattle Center station, you may easily walk west on Seattle Center campus (toward Key Arena) to the MarQueen Hotel.

By Metro Bus

The D Line departs from 3rd Ave & Pike St. (above ground) approximately every 5 minutes and will drop you off right outside the MarQueen hotel. Fare is $2.50, with a 2-hour transfer window. During peak hours (6-9 am, 3-6 pm) fare is $2.75. Payment is made with exact change, cash only.

By Uber car service

If you have the app installed on your phone, it is easy to request an Uber from either Westlake Station or even from SEATAC to get you to MarQueen. Rates vary, depending on surge pricing.
